Dear Ron

PM 1268 Finland
Our File: 29957

Referring to my letter of 1st October 1992 I instructed our Finnish associates in due time and now enclose a copy of the response as filed.

The 8 claims now in this application correspond to amended European claims 1, 4 to 6 and 13 to 16, the subsidiary claims being dependent on claim 1 and therefore restricted to the extraction stage in the process to which claim 1 is directed. I believe you will be able, if necessary, to reconstruct the text of these Finnish claims from your copy of the European claims but would be happy to prepare an English text if you prefer it.

The Examiner has called for copies of official actions issued in USA and EPO and I am complying with this request.

Yours sincerely

J.H.Bass
